

C.E. JORDAN HIGH SCHOOL BAND

DEPARTMENT OF INSTRUMENTAL MUSIC
ANDREW B. WEISS – BAND DIRECTOR

Spring 2009

Dear Community Leaders and Business Owners,

We are writing to offer you an opportunity to make a difference in our community by supporting the Jordan High School Band Program. Jordan boasts many award winning bands, from marching band to jazz bands to wind ensemble. More importantly, individual students in the band program are exemplary artists, scholars and citizens. These students are the future leaders of our community.

Like everything else, the band program is severely impacted by the current economy. While we understand that these are hard times for everyone, we believe that if we all put forth a little effort, we can save the band program during these difficult times. That is why, in addition to our regular fund-raising efforts this year, we are offering a Gala Concert on Thursday, May 28, 2009 at the Carolina Theater in downtown Durham.

If all of our community leaders and businesses pitch in, we will easily raise enough money to fund the things we need for the band—things like instruments, repairs, chairs and music stands, while offering a great evening of entertainment for our community.

Here's how you can help:

- 1) Donate an item or service from your business for our auction;
- 2) Purchase an ad for the program;
- 3) Make a cash donation.

All donations are tax deductible (our tax i.d. number is 562124448). Any donated items will be displayed at the Gala Concert and each donor's name will be printed in the concert program. Not only will you be helping out the band, but you will also spread the word about your business to hundreds of people in our community. It's a win-win for everyone!

We hope that you will be one of the many leaders and businesses in our community who will help us save the band. On behalf of all people who love music, thank you for your support.

Sincerely,

Andrew Weiss
