

The CE Jordan High School Marching Band is pleased to announce its 2010 production, "Letters Home". Our production tells a story of a soldier going to war, returning injured, and receiving a purple heart. There are 6 movements in our show, each depicting a scene our hero must go through. These include: leaving home, boot camp, getting ambushed in a foreign land, the wounded from the ambush, the battle scene, and the triumphant return home. The floor being used will depict the "Letters" our soldier is writing to his family at home. While this production is a story of one soldier's journey, it is meant to honor all of our service men and women stationed abroad.

"From this day to the ending of the world, we in it shall be remembered."

The music for this year's production is based on the Medal of Honor video game series and the HBO mini series "Band of Brothers". The music is arranged by John Meehan, with Front Ensemble and Drumline arrangements by Michael Huestis and Nathan Claypoole. Color Guard design and choreography are by Jakki Kalogridis. Drill design is by Kelly Earp. The CE Jordan Marching Band is under the direction of Mr. Andrew Weiss.
